VanWest College

ESL Program- General English

The English as a Second Language (ESL) program is designed for students whose mother tongue is not English. The English as a Second Language program will develop and strengthen oral/spoken and written English skills. Starts every Monday.

English for Academic Purposes

English for Academic Purposes (EAP) courses will prepare students who want to attend and do well at English-speaking universities. As well, English for Academic Purposes will also provide a solid foundation of language skills for students preparing for official exams such as the International English Language Testing System, the Cambridge English Advanced, and the Business Language Testing Service. Starts every Monday.

International English Language Testing System Preparation

The International English Language Testing System is a universally recognized English skill test accepted by most English-speaking universities in the world. This course will take students to the level required for university admission by showing them test materials that cover all four skills, building important vocabulary and grammar, and developing learner independence. Starts every Monday.

Business Language Testing Service Preparation

The Business Language Testing Service measures the ability of non-native speakers to communicate in English in everyday business environments. The course is an excellent choice for students who plan to use English for business or the workplace. Students receive pre-tests and the official Business Language Testing Service test is offered at the college every 4 weeks. VanWest College is the only official test provider in Canada. Starts every Monday.

Pathways Program

Pathway courses assist international students who want to study in North America. Upon completion of the Pathway requirement, students meet the language requirement and may then apply directly to partner post-secondary institutions without further language testing.

English for Families

Offers a welcoming environment where families will experience top quality English instruction, clean and safe city-life and breath-taking Canadian wilderness. Children aged 5 to 13 will attend courses designed for fun active learning. Imaginative activities and group project work will develop confidence in English communication skills. Parents and other adult family members will attend the General English courses (20 lessons/week).

Summer: July to September

Winter: December to February

One to One Lessons

Focused on the learners needs, One-to-One lessons help the learner focus their studies even further. Each lesson is 55 minutes long. Personalized attention, guidance and feedback from experienced and friendly teachers will help the learner reach their English goals. Students with limited time to study English will find this program ideal in enhancing their English skills.

Cost for all programs: Tuition, depending on number of weeks and lessons.

Application needed. See website for more details.
